

## Why sponsor?

We all know we cannot adopt every animal that pulls on our heartstrings, but we can still make a profound difference on animals in need. Our animal sponsorship program allows you to make a tax-deductible donation that will support one of our special pets! Many of our rescued dogs and cats have veterinary expenses that exceed the amount of their adoption fees. Your contribution will assist in offsetting these expenditures and ensure that we can continue to save more animals going forward! Sponsorship directly supports the particular pet

## What Do You Get Out of Sponsoring?

Even though you're not adopting, you still receive the joy of knowing you helped provide care for the animal(s) you choose to sponsor. Because of generous people like you, our "You Care Sponsorships" helps to cover the cost for housing and medical care. We will provide you an updates on the animal(s) you sponsor so you can learn about your impact firsthand! There are numerous sponsorship levels to choose from. Any amount helps.
