Humane Society of Midland County "Sponsor a Kennel Program"

When you become a kennel sponsor, the Humane Society of Midland County will place a personalized plaque on a dog or cat kennel in the shelter facility for one year, proclaiming your generous support of the efforts of the many volunteers who work tirelessly to help re-home Midland County's unwanted pets. Kennel plaques can be personalized with your individual or family name, your company's name, a work group (e.g., SmithCo's Purchasing Dept.), your pet's name, or in memory of a beloved human or animal family member or other loved one. Of course, your gift can also be anonymous.

Kennel sponsorships are available at \$500 for one kennel for one year or \$2500 for a life time.
