The Humane Society of Midland County (HSoMC) is dedicated to promoting the compassionate treatment of animals in our community and finding permanent loving homes for lost, mistreated, unwanted and abandoned animals. Services include adoption, animal intake, lost and found, microchipping, spay/neuter programs, education, community outreach, volunteer opportunities and much more. In 2018, HSoMC placed over 2,100 animals. **HSoMC receives no dedicated government funding and that is why membership and donations are so important.** Thank you for your support!
